

Application for Certification as a Competent Person

1 As the person applying for certification as a Competent Person, you should complete section 1 of the attached CAP APPLICATION FORM.

With this application you should include the following information –

- (i) One good quality passport photograph,
- (ii) Your current Curriculum Vitae (CV),
- (iii) Copies of all relevant certificates and course achievement documents (do not enclose originals). This may consist of academic qualifications, vocational training such as relevant technical and product training including manufacturer’s training courses.
- (iv) Course payment including VAT.

If you do not include this information, then IPAF will be unable to undertake a full assessment of the applicant and subsequently could result in a delay in issuing Competent Person certification.

2 As the employer of the person applying for certification as a Competent Person, you should complete section 2 of the attached CAP APPLICATION FORM, bearing in mind that the competent person:

- May be required to draw up and authenticate an examination scheme and subsequently modify it in the light of changes.
- Must carry out an ongoing review of the periods between thorough examinations.
- Must, following a thorough examination, notify the employer forthwith of any defect in the lifting equipment which in his/her opinion is or could become a danger to persons.
- Must make an authenticated report in writing as soon as is practicable after the thorough examination (normally within 28 days).

You should be satisfied that the applicant can be recommended to receive IPAF Competent Person certification.

3 The completed CAP APPLICATION FORM and supporting information as described above should be submitted to the following address, along with the current fee (+VAT at applicable rate) –
