

Save time and cost: bring your insurance claims under control

IPAF members now have free access to ClaimControl™ - the leading online risk analysis and management system from Alphatec Software Limited.

It cuts insurance costs and streamlines administration of all types of incidents. Powerful analytical features identify, control and manage risk, generating information that helps to negotiate lower premiums.

ClaimControl™:

- Slashes effort, cost and time in tracking and managing HR, Health & Safety and other incidents
- Gives an instant, up to date picture of all risks and related costs
- Strengthens premium negotiation by providing proof that management is actively reducing the source of claims
- Measures and minimises the 'hidden costs' of insurance
- Pinpoints reasons for claims and action to reduce them
- Identifies potential Health & Safety or Employment issues before they become problems
- Facilitates Alternative Risk Transfer (ART) policies - such as 'self-insurance'

More details see over or www.ipaf.org

Membership of IPAF now provides - free of charge:

- A single-user licence for ClaimControl™
- Standard Support (response within 3 working days, Monday - Friday 09.00 - 17.00 UK time)
