IPAF Rental+. The rental service that sets the standard

Just check out all these important plus points

The respected ***IPAF Rental+*** quality mark shows you that the rental company you are dealing with has been independently audited to meet the most stringent standards of training, advice, equipment and customer satisfaction.

With ***IPAF Rental+***, you get complete reassurance at every stage of the rental process.

+ Booking Companies that display the ***IPAF Rental+*** sign always have knowledgeable booking staff. Training and competency levels of hire desk staff are checked by the ***IPAF Rental+*** auditor at point of audit. Their thorough understanding of their fleet ensures you will get exactly the right platform you need for the job.

+ Advice Staff's knowledge of safety legislation and equipment will help you operate safely and legally on site. Staff training and competency levels are auditor checked against standards set out in the ***IPAF Rental+*** guidelines.

+ Delivery All ***IPAF Rental+*** centres use delivery drivers trained to demonstrator level. The quality of their handover familiarisation means you will get the most out of your machine right from the outset.

+ Operators ***IPAF Rental+*** centres provide certified platform operators with machines. Your platform will be operated safely and productively.

+ Expertly maintained ***IPAF Rental+*** staff - from full service and maintenance engineers to PDI inspectors - are all qualified to the required levels.

+ **Location tracking** *IPAF Rental+* companies are required to know where their machines are, making it easier to get the right platform to customers when needed.

+ **Checked and checked again** All *IPAF Rental+* centres subject their machines to PDI checking, condition monitoring and a thorough examination schedule.

+ **Terms of hire** The contract terms used by *IPAF Rental+* members, generally IPAF's own Terms and Conditions, conform to strict standards. You always get a fair deal.

Independently audited
