

IPAF Rental+ provides assurance to customers/contractors at every stage of the Mobile Elevating Work Platform (MEWP) hire/rental process

THE RENTAL STANDARD YOU CAN TRUST

What is IPAF Rental+?

IPAF Rental+ (pronounced 'IPAF Rental Plus') is a quality standard mark indicating the highest level in powered access equipment hire. Companies with IPAF Rental+ certification are audited annually to ensure they meet certain rigorous criteria in terms of training, equipment inventory and customer satisfaction. This includes health and safety compliance and environmental good practice.

Why Choose IPAF Rental+?

IPAF Rental+ customers gain peace-of-mind knowing they're choosing the highest standards and best practice in the powered access industry.

"Contractors selecting an IPAF Rental+ certified company for their powered access hire requirements can be confident in the knowledge that they will receive the best quality service backed by the highest level of expertise."

*Martin Wraith,
IPAF Rental+ Scheme Manager, IPAF*

Benefits of choosing an IPAF Rental+ hire/rental company

- Certified proof that the hire/rental company employees are trained to the required level and that quality MEWP equipment will be supplied
- Knowledge that the hire/rental company satisfies most UK tender pre-qualification requirements (SSIP certification) and alignment with the Common Assessment Standard (UK only)
- Assurance that the hire/rental company complies with health and safety, quality and environmental standards within the industry
- Confidence that the hire/rental company has access to relevant technical guidance, industry standards and good practices, and governance within the industry
- Ease of locating IPAF Rental+ depots and verifying IPAF Rental+ certified companies

“When looking at suppliers that we can work with, we align ourselves with companies that have the most stringent standards of training, advice, equipment and customer satisfaction, with LTC holding the IPAF Rental+ standard this ensures these are met. It’s great to see that LTC Powered Access continue to set high levels within the industry and strive to be the best at what they do!”

*Kevin Hendy, Classic Builders Ltd
(customer of LTC Powered Access)*
