IPAF & MCWP

- IPAF became the first forum for MCWP manufactures, rental companies and users
- The first work to be carried out was creating standards, codes of practice, rules to avoid unpleasant occurrences.
- The MCWP group started working on a British standard called “Code of practice for the installation, maintenance, thorough examination and safe use of mast climbing work platforms ”

Review of existing MCWP courses material for North America

The screenshot shows a Beamer presentation titled "MCWP TRAINING MANUAL". The title slide includes the text "Version 0 MCWP-NA - Revision 0" and "Date: May 2018". Below the title is a diagram showing a crane, a plus sign, a hand holding a tablet with the IPAF logo, an equals sign, and a person on a scissor lift with a checkmark and the IPAF logo. The IPAF logo is also displayed below the diagram. The presentation is displayed in a window with a Beamer navigation pane on the right and a status bar at the bottom. The status bar indicates "DIAPOSITIVA 8 DE 99" and "INGLÉS (REINO UNIDO)".
