

The world authority
in powered access

REGIONAL REPRESENTATIVE SOUTH KOREA

www.ipaf.org

The International Powered Access Federation (IPAF) is a not for profit organisation that promotes the safe and effective use of powered access. With over 1300 members worldwide, we have offices in several countries and headquarters in the United Kingdom.

Are you passionate about safety? IPAF is looking for a talented and experienced representative in South Korea. The position will focus on providing existing members with a local and improved service and promote member recruitment in the region. You will be knowledgeable within the industry, a confident communicator, with an ability to work at both a tactical and strategic level. Previous experience in a similar role is desirable, although not essential.

Reporting to the Head of Regional Development, the position is part time (a minimum of 8 days per month) and on a self-employed basis. Salary will be competitive, dependent on qualifications and experience. Monthly out of pocket expenses, mobile/cell phone and motoring expenses incurred while performing your duties as an IPAF regional representative will be reimbursed.

More information about the position including a role profile can be found at www.ipaf.org/jobs Please apply in writing with a CV and letter of application in English to IPAF's CEO Tim Whiteman via jobs@ipaf.org
Deadline: 30 June 2019.
