The world authority
in powered access

IPAF AUDITOR

(Spain and Portugal)

www.ipaf.org

Do you have strong communication skills and the drive and confidence to deliver the very best services to our existing and prospective members. Do you have the personal credibility to strengthen IPAF's reputation across its global reach?

The International Powered Access Federation (IPAF) is a not for profit organisation that promotes the safe and effective use of powered access. With over 1300 members worldwide, we have offices in several countries and headquarters in the United Kingdom

We are now looking for an auditor to join the team to perform audits in Spain and Portugal (2 posts). The successful candidate will join a team responsible for the auditing of IPAF's accredited rental members, training centres and instructors. You will be an effective communicator with the ability to work independently. Ideally you will have experience in working at height with a bias towards powered access.

This is a self-employed position, the successful candidate will report to the IPAF Quality & Audit Manager. Candidates should ideally have appropriate auditing experience, holding a minimum ISO 9001 Lead Auditor qualification or the equivalent. In addition, applications from candidates holding Bureau Veritas qualification and NEBOSH qualified would be welcomed. As part of an international organisation the successful candidate will need to be fluent in English.

Interested applicants should apply in writing with a covering letter and CV to Kay Howard, HR Business Partner via email to jobs@ipaf.org. Closing date for applications is 5.00 pm on 31 January 2020.

Further information about the position can be found at www.ipaf.org/jobs
